

Mission and Purpose

Kindergarten - Eighth Grade

*The mission of Trinity Lutheran School is to:
Build a foundation of **FAITH**
Partner with the **FAMILY**
Equip for the **FUTURE***

Faith

One can find a quality academic education in many places. You will find that at Trinity, too. But Trinity will, above all, nurture your child's faith in Jesus Christ by teaching each child the Scriptures and giving them a solid spiritual and moral formation ready to face this fast-changing world. We also teach them how to worship, pray and treat others with love and kindness. Children are encouraged to use their God-given abilities and to begin exploring God's will and purpose for their lives.

Family

Trinity truly partners with parents to raise Christian children as disciples of Jesus. We are an extension of your home. Our teachers will nurture your child and continue to form in his or her heart Christian values and beliefs. We will support you in your calling as a Christian mom or dad. In addition, Trinity is more than a school. Trinity is a family. You and your child will find love and support during the school day, at school activities, and in the friendships you will make.

Future

Trinity provides a solid intellectual, spiritual, emotional, and physical foundation for each student's future, preparing them for high school and wherever the Lord leads them. Trinity students are ready to excel at any area high school they attend and beyond as they choose college and/or career. But above all, our greatest goal is to help them develop their relationship with Jesus and give them an eternal future in heaven.

Life at Trinity

Trinity Lutheran School is a ministry of the Lutheran Church Missouri Synod (LCMS) and Trinity Evangelical Lutheran Church, and teaches the doctrine and practices of the LCMS. Students participate in daily devotions, prayer and Religion classes with required Memory work (Holy Scripture, commandments, creeds), as well as weekly chapel services. Christian life at Trinity also includes participation in service projects throughout the school year as children continue to develop awareness and compassion for the needs of others.

The Trinity faculty lives out the school's mission with each child, every day. The teachers and staff embrace their daily work as a gift and divine calling, and that love and purpose is passed on through their daily interactions with children. The faculty works together as a professional community, continually growing in the skills and understanding required to guide each student's learning path. The school chaplain and Trinity pastors are also available to talk with parents and students for pastoral guidance or care.

Families are vital to the success and growth of every child, and parents are welcome as partners in learning throughout the school year at TLS. Parents also understand that their child's growth and success in school and extracurricular activities is a result of parental involvement and partnership in the life of the school. We want your family to be an active part of Trinity!

Mission and Purpose^(cont.)

Kindergarten - Eighth Grade

Trinity Core Four

Students and parents must be in agreement with and committed to the mission of the school, its policies and administrative decisions. Students are expected to abide by Trinity's Core Four at all times, based on the following behavior guidelines:

1. HONOR GOD

Jesus replied: Love the Lord your God with all your heart and with all your soul and with all your mind. Matthew 22:37

2. LOVE YOUR NEIGHBOR

Be kind and compassionate to one another, forgiving each other, just as Christ forgave you. Ephesians 4:32

3. WORK HARD AND WORK WELL

Whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him. Colossians 3:17

4. COMMUNICATE RESPECTFULLY

My brothers take note of this: Everyone should be quick to listen, slow to speak and slow to become angry. James 1:19

Curriculum

The curriculum of Trinity Lutheran School offers a well-rounded, complete course of studies based on the requirements of the state of Indiana while integrating the Christian faith. All students participate in the following courses:

Religion	Reading/Lit	Art
Language Arts	Mathematics	Music
